Letter Motion Requesting Relief from In Person Attendance Requirement

Your Honor,

In accordance with the Court's Notice of Initial Pretrial Conference ([Docket No. 58](#)), the Plaintiff States, other than New York, respectfully request relief from Rules 2.A. and 4.C. of your Individual Practices in Civil Cases, which require in-person attendance by Lead Trial Counsel at hearings and conferences. We request this relief to avoid duplicative expenses that are ultimately borne by the people and to streamline the proceedings before the Court.

Specifically, the Plaintiff States (other than New York) request leave to:

- (1) attend the conference by audio or video, in-person, or by designating New York to represent them at this conference only; and
- (2) for those States that do attend in-person or remotely, excuse designated Lead Trial Counsel who have scheduling conflicts, as long as another attorney for that Plaintiff State, who also works on this matter and is admitted, attends in lieu of designated Lead Trial Counsel.

We have advised Defendants of our intention to make this request, and they have informed us that they do not object.

We therefore respectfully request that this relief be granted for the upcoming June 27, 2024 hearing, and as appropriate for future hearings and conferences as well. We thank the Court for Your Honor's, and your Chambers', time and consideration.

Respectfully submitted,

/s/ Jeremy R. Kasha
